

# St. Louis Precision Casting . . .

## "Where Better is Better!"

Case History #1030

### Chunks & Hunks

We manufacture near-net-shape blanks cast to your dimensions. Just send us your height, width and depth specifications. We cast square, round and rectangular stock for your loose pieces, slides, fixtures, molds and miscellaneous items.

All blanks are made to order to your specifications in standard or unique metallurgy.

We can quickly furnish anything you require up to 1800 pounds in a variety of steels; gray, ductile or compacted graphite irons; plus, the entire family of Meehanite® metals.

Check our Capabilities and Alloys Poured web page for further information.
